Course Fees and Charging

2017-2018

All Apprenticeship Frameworks and Standards

For all level, Apprenticeship Frameworks and Standards, the Course Fee is as detailed on Education and Skills Funding Agency Learning Aims Database (The Hub), up to the funding band maximum. A higher learning supplement will be applied to all level 4 or above learning. Variations to the Course Fee may be applied in accordance with potential learner numbers but must be agreed by the Learning Contracts Manager.

Levy-paying Employers have a pay bill over £3 million each year must pay the Apprenticeship Levy. Levy-paying Employers will receive levy funds to spend on apprenticeships.

Non-levy paying employers will share the cost of training and assessing their apprentices with government, this is called 'co-investment'. Employers will pay 10% towards to the cost of apprenticeship training and government will pay the rest (90%), up to the funding band maximum.

To qualify for a fully-funded Apprenticeship for a 16-18-year-old the employer must supply evidence confirming that they employ 49 or less employees.
